ATech contributes to SCR TTC as Founding Partner

Los Angeles, CA - The Southern California Transit Training Consortium (SCR TTC) is proud to announce that, as a result of the launch of its Private Industry/Public Agency Partnership program, ATech Training has committed and contributed as the consortium's first and highest level of partnership in becoming the SCR TTC's newest "Founding Partner."

Headquartered in Walton, KY, ATech Training Inc. is an ASE™ certified training provider and a Veteran owned and operated American company. In addition to its ASE membership, they are also a member of the North American Automotive Teachers Council, the California Automotive Teachers Association and National Automotive Technicians Education Foundation (NATEF).

ATech Training, Inc. offers training in a number of specialized topics such as; Networkable Systems, Computer Based-Instruction, Electrical/Electronic Systems, Engine Performance, Suspension and Steering, Brakes, Heating and Air Conditioning, Automatic Transmission and Transaxle, Manual Drive Train and Axles, Engine Repair, Diesel-Engine Performance, Diesel-Brakes, Diesel Cutaways, Cutaways, Diagnostic, Alternative Energy and NATEF Curriculum.

The "Founding Partner" level of the SCR TTC's Private Industry Partnership contribution reflects a shared commitment by ATech Training, Inc. and the consortium to meet the ever increasing need for Electrical training. Their significant, in-kind contribution of six (6) Specialized Electronic Training boards to the SCR TTC will enable the SCR TTC to continue to expand the delivery in order to meet these electrical training needs.

The SCR TTC Board of Directors and its members are pleased to welcome ATech Training, Inc. aboard as our most recent 'Founding Partner'.

The SCR TTC is a coalition of over 27 transit operators, community colleges and other educational institutions in Southern California, joined together to develop industry driven, competency based curriculum that meets present and future technological needs of public transit systems. The SCR TTC has been designated as a 501c(3) organization, as well as a California Non-Profit Corporation.
