AGENDA

Welcome & Introductions

Babiarz opened the meeting with introductions by all attendees.

Open Items

Babiarz provided a powerpoint summary about SCR TTC, memberships, new members. She displayed the regional coverage map and member locations for the sake of new attendees to the planning committee meeting.

Stumpo gave a briefing about the relationship of the California State University at Long Beach project and how APTREX has the SCR TTC involvement in supervisory and leadership development classes including the most recent Online/InClass beta course currently running. The intent is to provide (4) classes next fiscal year starting July 1st for the SCR TTC membership.

Babiarz briefed the group on Legislative issues: (Powerpoint attached)

- a. Open discussion about FTA Clean Fuels and TiGGER Grants
- b. NTI Update with Program Manager course and Procurement
- c. FTA National Fuel Cell Bus Program
- d. Boxer and Senate Banking

Babiarz briefed the group on Present Funding updates for the SCR TTC:

- a. CEC – California Energy Commission with ATTEi
 - i. LBCC successful with CeC for clean energy workforce
 - ii. SCR TTC partnered with LBCC; provided letter of match for grant submittal Sept. 2009
 - iii. Grant needed compliance with AB118; meetings held to move toward approval
 - iv. SCR TTC submitted syllabus to E1-E5, 8.3 & 8.9 Engine which have been approved
 - v. Cal Macy reinforced the specifics of the CeC delivery
- b. LATTC CeC Category 3 Funds
 - i. Chair Guerra to detail @ June 17th 10 am conference meeting

PLANNING COMMITTEE

- c. Reformulated Grant; 80 proposals; \$7m allocated; September 15, 2010 we expect to hear something.
- e. ETP Grant in discussion - (Employment Training Panel) not likely a good source of funds because of too much risk.

Current Classes

We displayed the Current Class Roster through September with additional potential items in planning if funded. 8.3 C+ Gas Engine ready to go for June 2, 3rd at LBCC taught by Orozco.

New Business

Babiarz spoke about the National Transit Institute (NTI) course for October October 26th and 27th @ Gardena Municipal Bus Lines. NTI is holding registration for 10 SCR TTC members with others in the region able to register too.

Babiarz mentioned the status of Caltrans Transit Rotation program; California University Berkeley's Institute of Transportation Studies Technology Transfer Program; Maintenance Manager Training

Stumpo spoke about the relationship with APTA/FTA and potential proposal in coordination with the reauthorization.

Babiarz spoke about the FTA - \$14 M H2 Fuel Cell RFP; SCR TTC to provide training component. Stumpo sent out invites for transits to take the lead. Cruz responded that LBTS was looking into it, BBB was unsure, no response from OCTA, LA METRO.

Discussion about Identifying training/instructional aides 'In-Kind' contributions needed for communication to Board members pursuing Private Industry/Agency Partnerships.

Next Meeting

The next meeting planned as a teleconference on June 17th 10a.
